## EXPERIENCE

### Frontend Web development Internship, LueurTech Software Solutions:

- I had the privilege of collaborating with a team of talented developers during my internship, where I honed my skills in creating responsive web designs using React.js. I also became proficient in working with APIs and using Git version control, enhancing my ability to develop modern, dynamic web applications.

## ACHIEVEMENTS CERTIFICATIONS

### LeetCode, Username : 95disha04G:

- By reaching a commendable maximum rating of 1600 and tackling over 450 DSA questions, I have fortified my grasp on fundamental concepts while sharpening my problem-solving skills.

### UDEMY, COMPLETE WEB DEVELOPMENT 2023:

### Expense Tracker

Oct 2022 – Nov 2022

The application provides real-time updates on total expenditure and remaining balance, allowing users to stay on top of their financial situation.

- Through a seamless and responsive design, users can add expenses, specifying the amount spent and the corresponding category.
